information about rides departing from campus.

Welcome!

There are so many good churches in the Fox Valley that is it hard to know where to begin! We have provided this list of churches that have some relationship to the Lawrence community through the Lawrence Christian Fellowship to get you started. We don't mean our list here to exclude anyone, or (by omission) to recommend against anyone. We've tried to cover the spectrum of denominations. LCF is an interdenominational group (you can check out more about it, including a basis of faith at www.lawrence.edu/sorg/lcf) with members who go to many different churches.

We have done our best to give accurate information. Please let us know if we need to make corrections. The "LU" icon below changes a lot and we've probably missed some.

Icon Key

The pastor or church leader has spoken at LCF chapter meetings, or the church has some other close relationship with the chapter.

LCF students, faculty, or alumni attend this church.

This church is roughly within walking distance, or at least students commonly walk there.

This listing is sorted by denomination. Please see the index at the end for an alphabetical listing by church name.

If you are looking for a particular kind of church you can't find here (or have other questions about a "good match"), please contact the campus InterVarsity staff, Tim Webster, at 991-0477 or webstert@new.rr.com (Tim knows pastors in the ministerial and has other churches in his database) or talk to students or faculty in the Lawrence Christian Fellowship, www.lawrence.edu/sorg/lcf.
